A TIME OF BEGINNINGS . . .

Genesis 1:1 "In the beginning . . .

Genesis 1:1 "In the beginning God created the heaven and the earth."

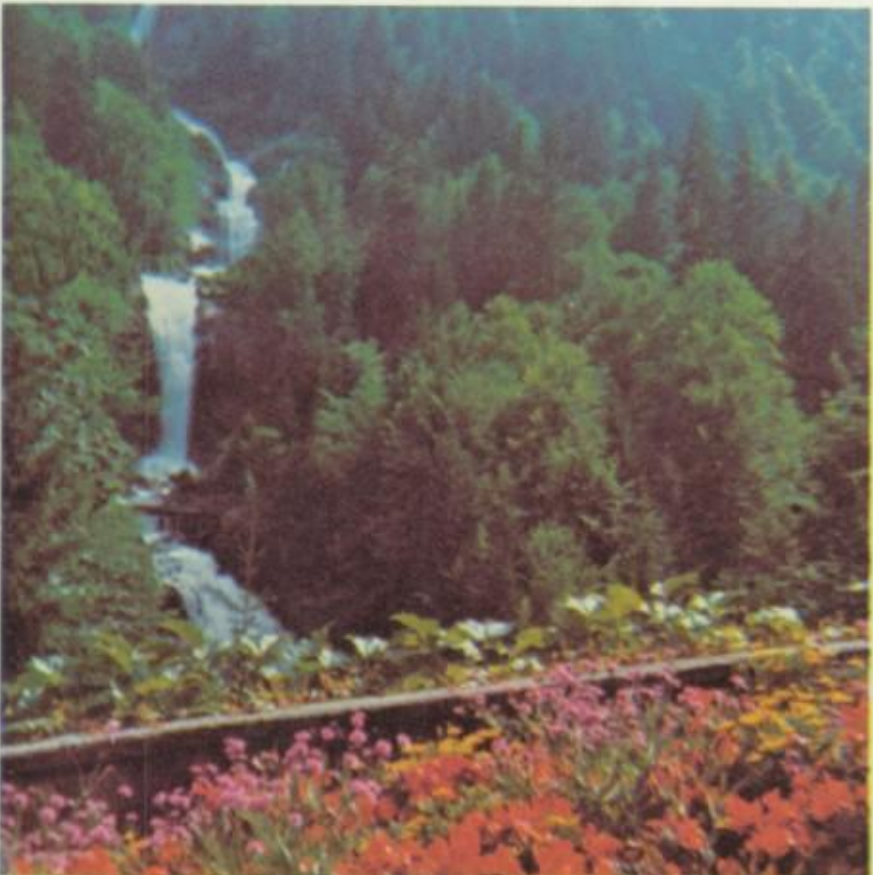

Genesis 1:3 "And God said, Let there be light: and there was light."

Genesis 1:9 "And God said, Let the waters under the heaven be gathered together unto one place, and let the dry land appear; and it was so."

Genesis 1:11 "And God said, Let the earth bring forth grass, the herb yielding seed, and the fruit after his kind, whose seed is in itself, and it was so."

Genesis 1:14 "And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years:"

Genesis 1:31 "And God saw everything that he had made, and, behold, it was very good."

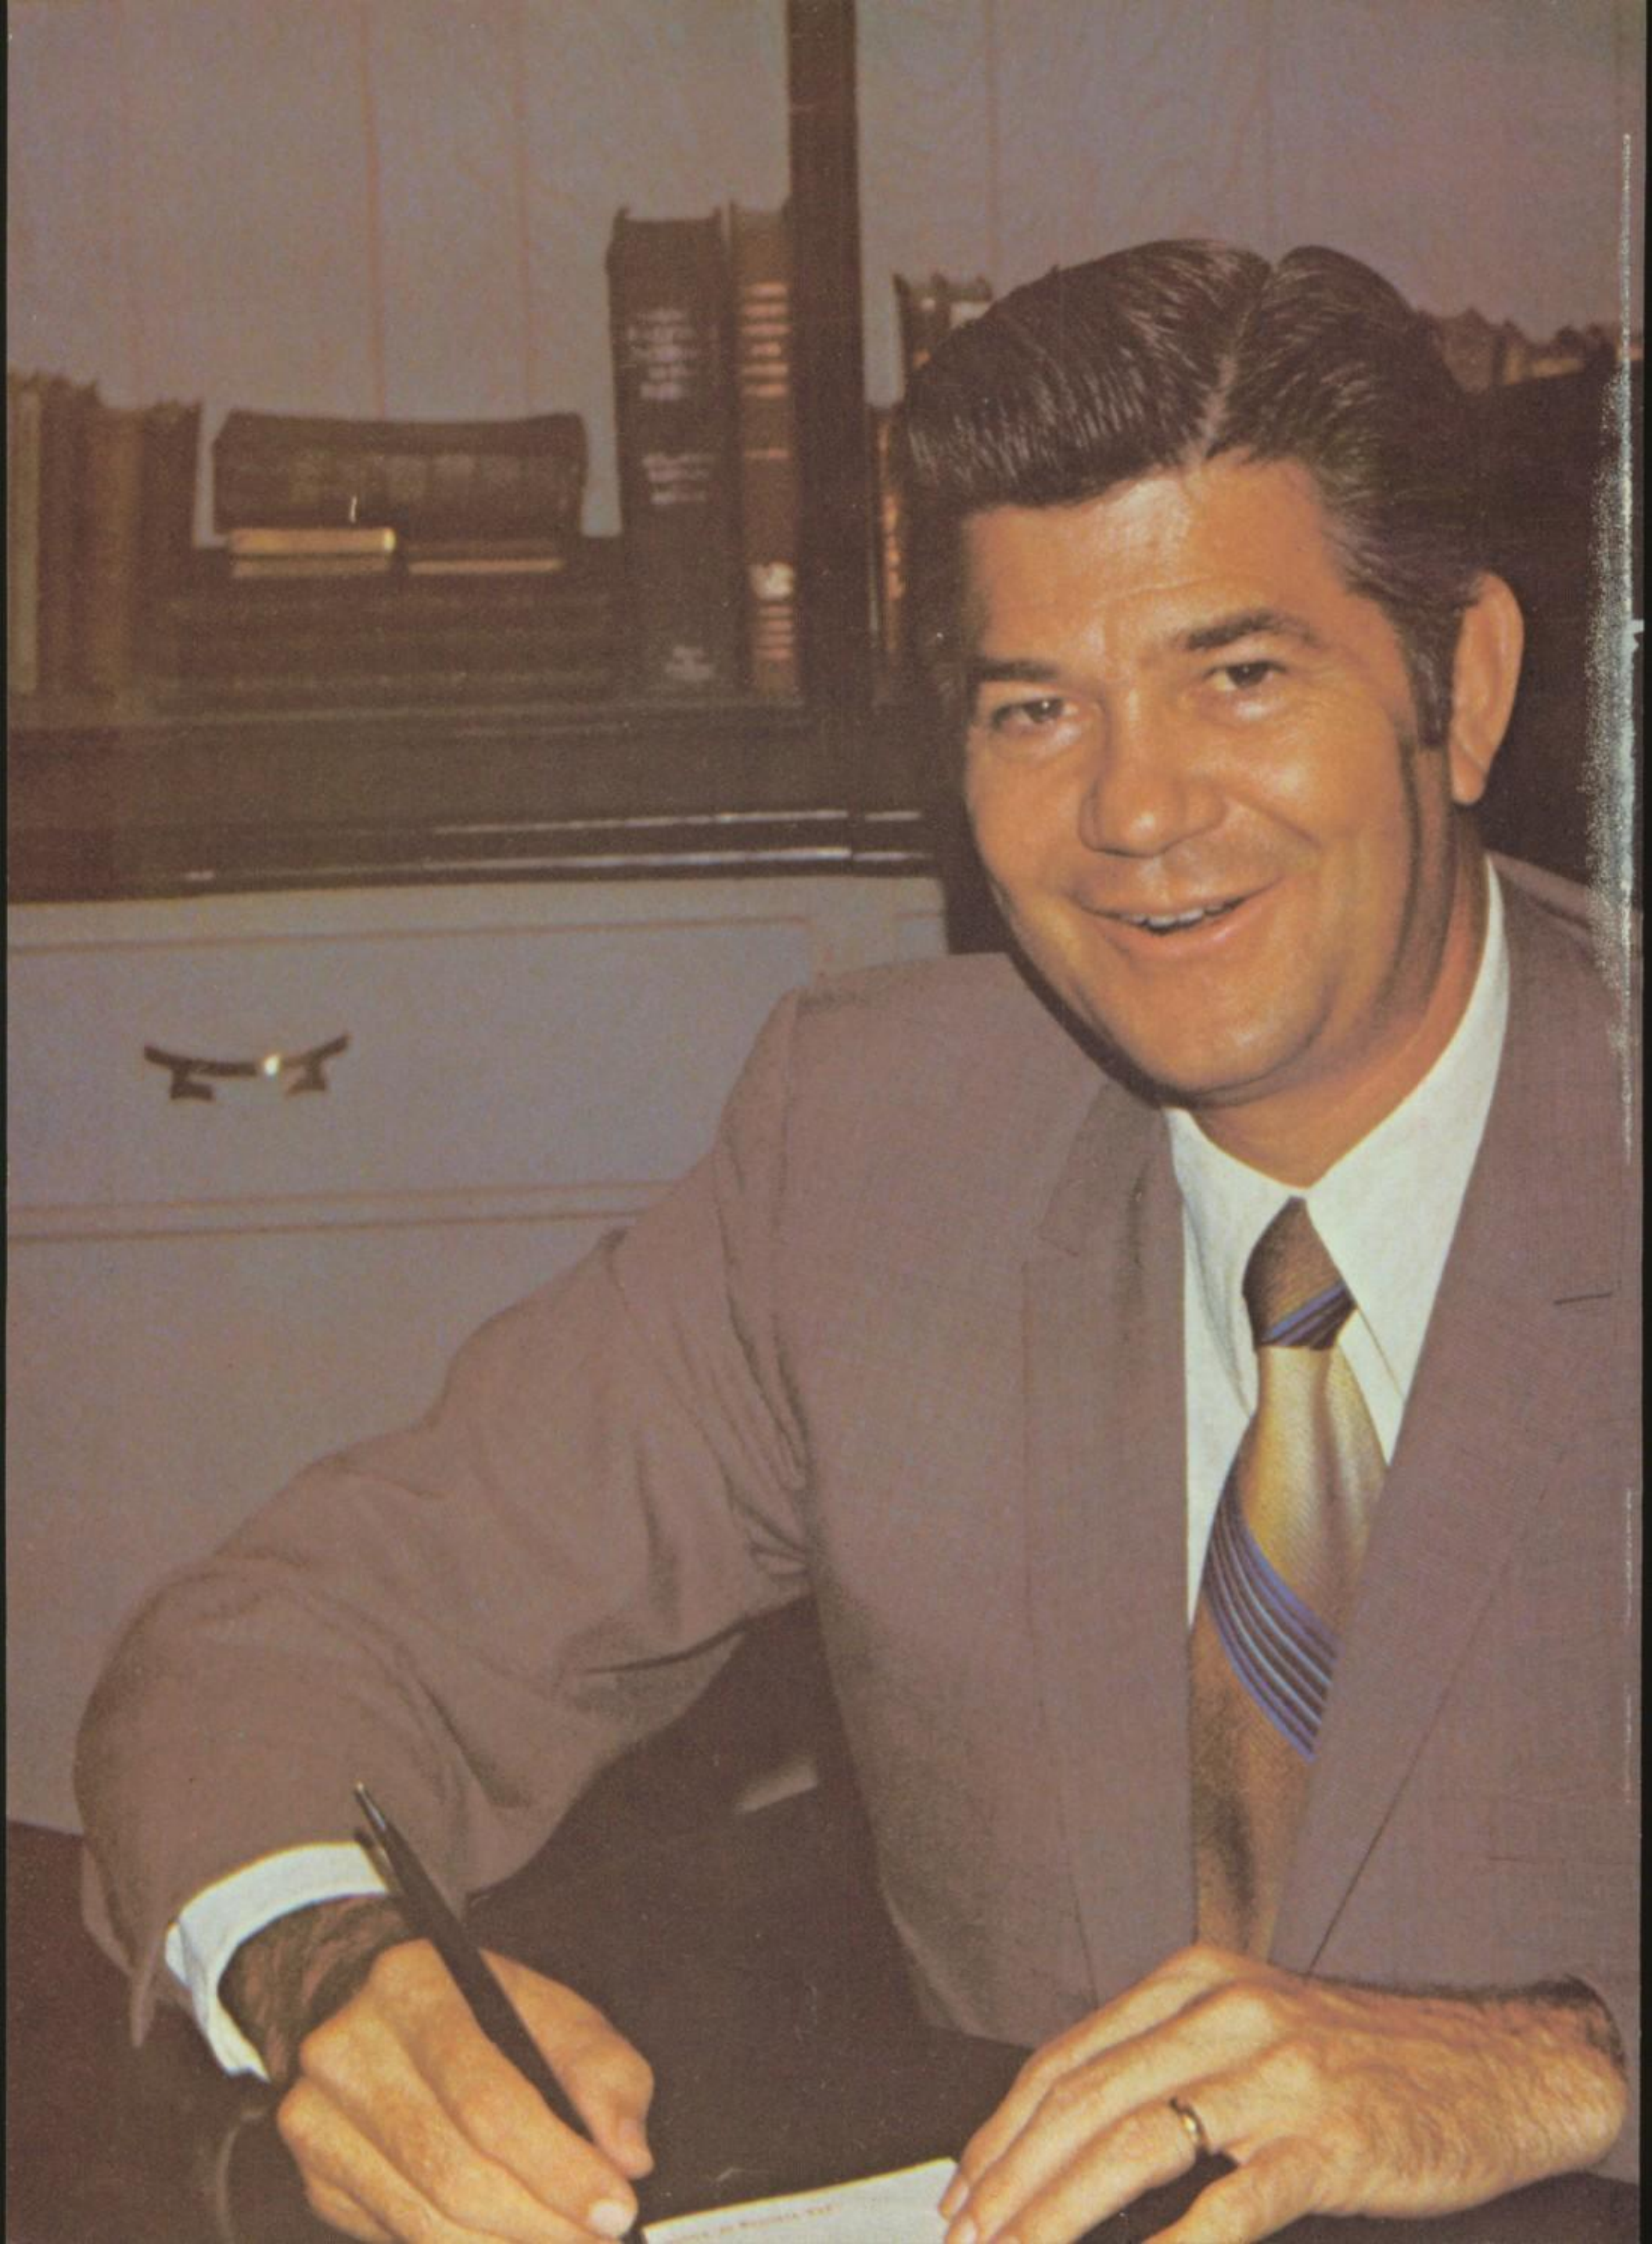

DEDICATION

We the Senior Class of 1973 take great pride in dedicating our Annual to Mrs. Jean Porcella, because of her great burden for Christian education and her total interest in the students of Dade Christian School.

OUR PRESIDENT

Dr. A. C. Janney

It seems that some men stand out in a crowd. Anyone who has met Dr. Janney will agree that he is one of a kind. He is a man of vision and unrelentless energy in his efforts to achieve good Christian education.

Ground breaking ceremonies — 1954

The new building — 1954

Moved to new location and new building in 1965

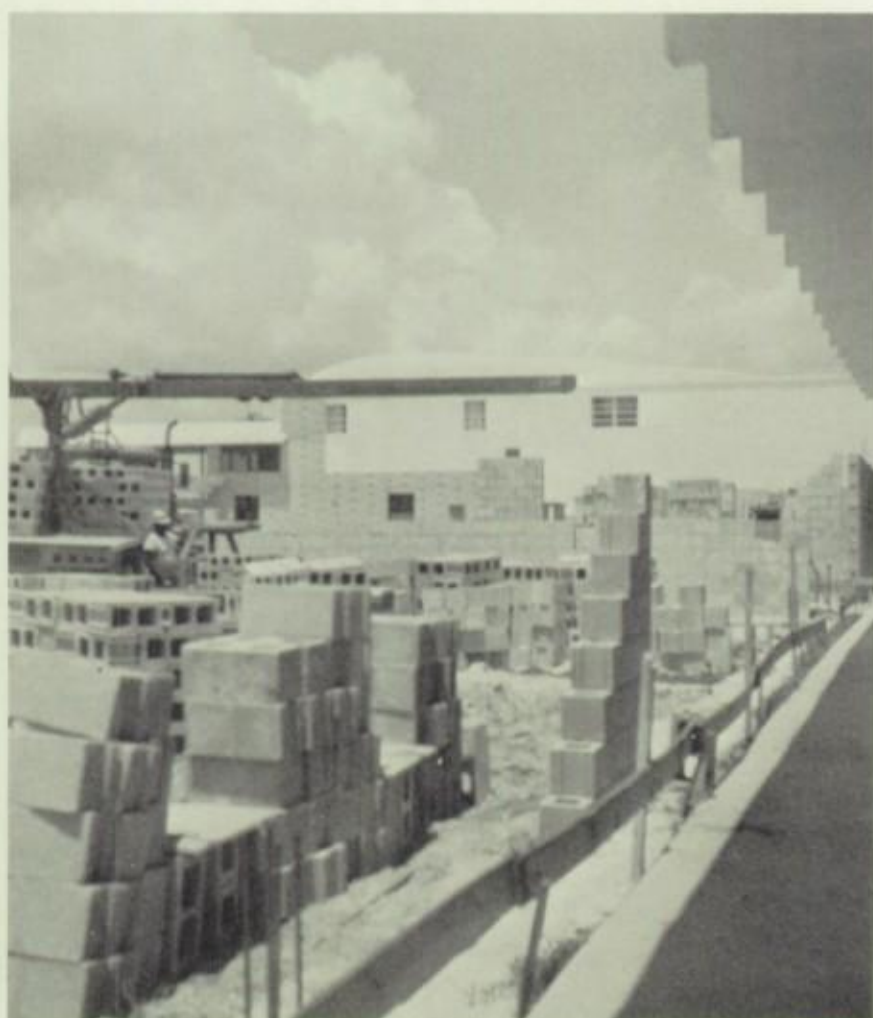

Even this building was not big enough for the growing ministry.

NEW TESTAMENT BAPTIST CHURCH

FROM THE BEGINNING . . .

New Testament Baptist Church made plans for another floor.

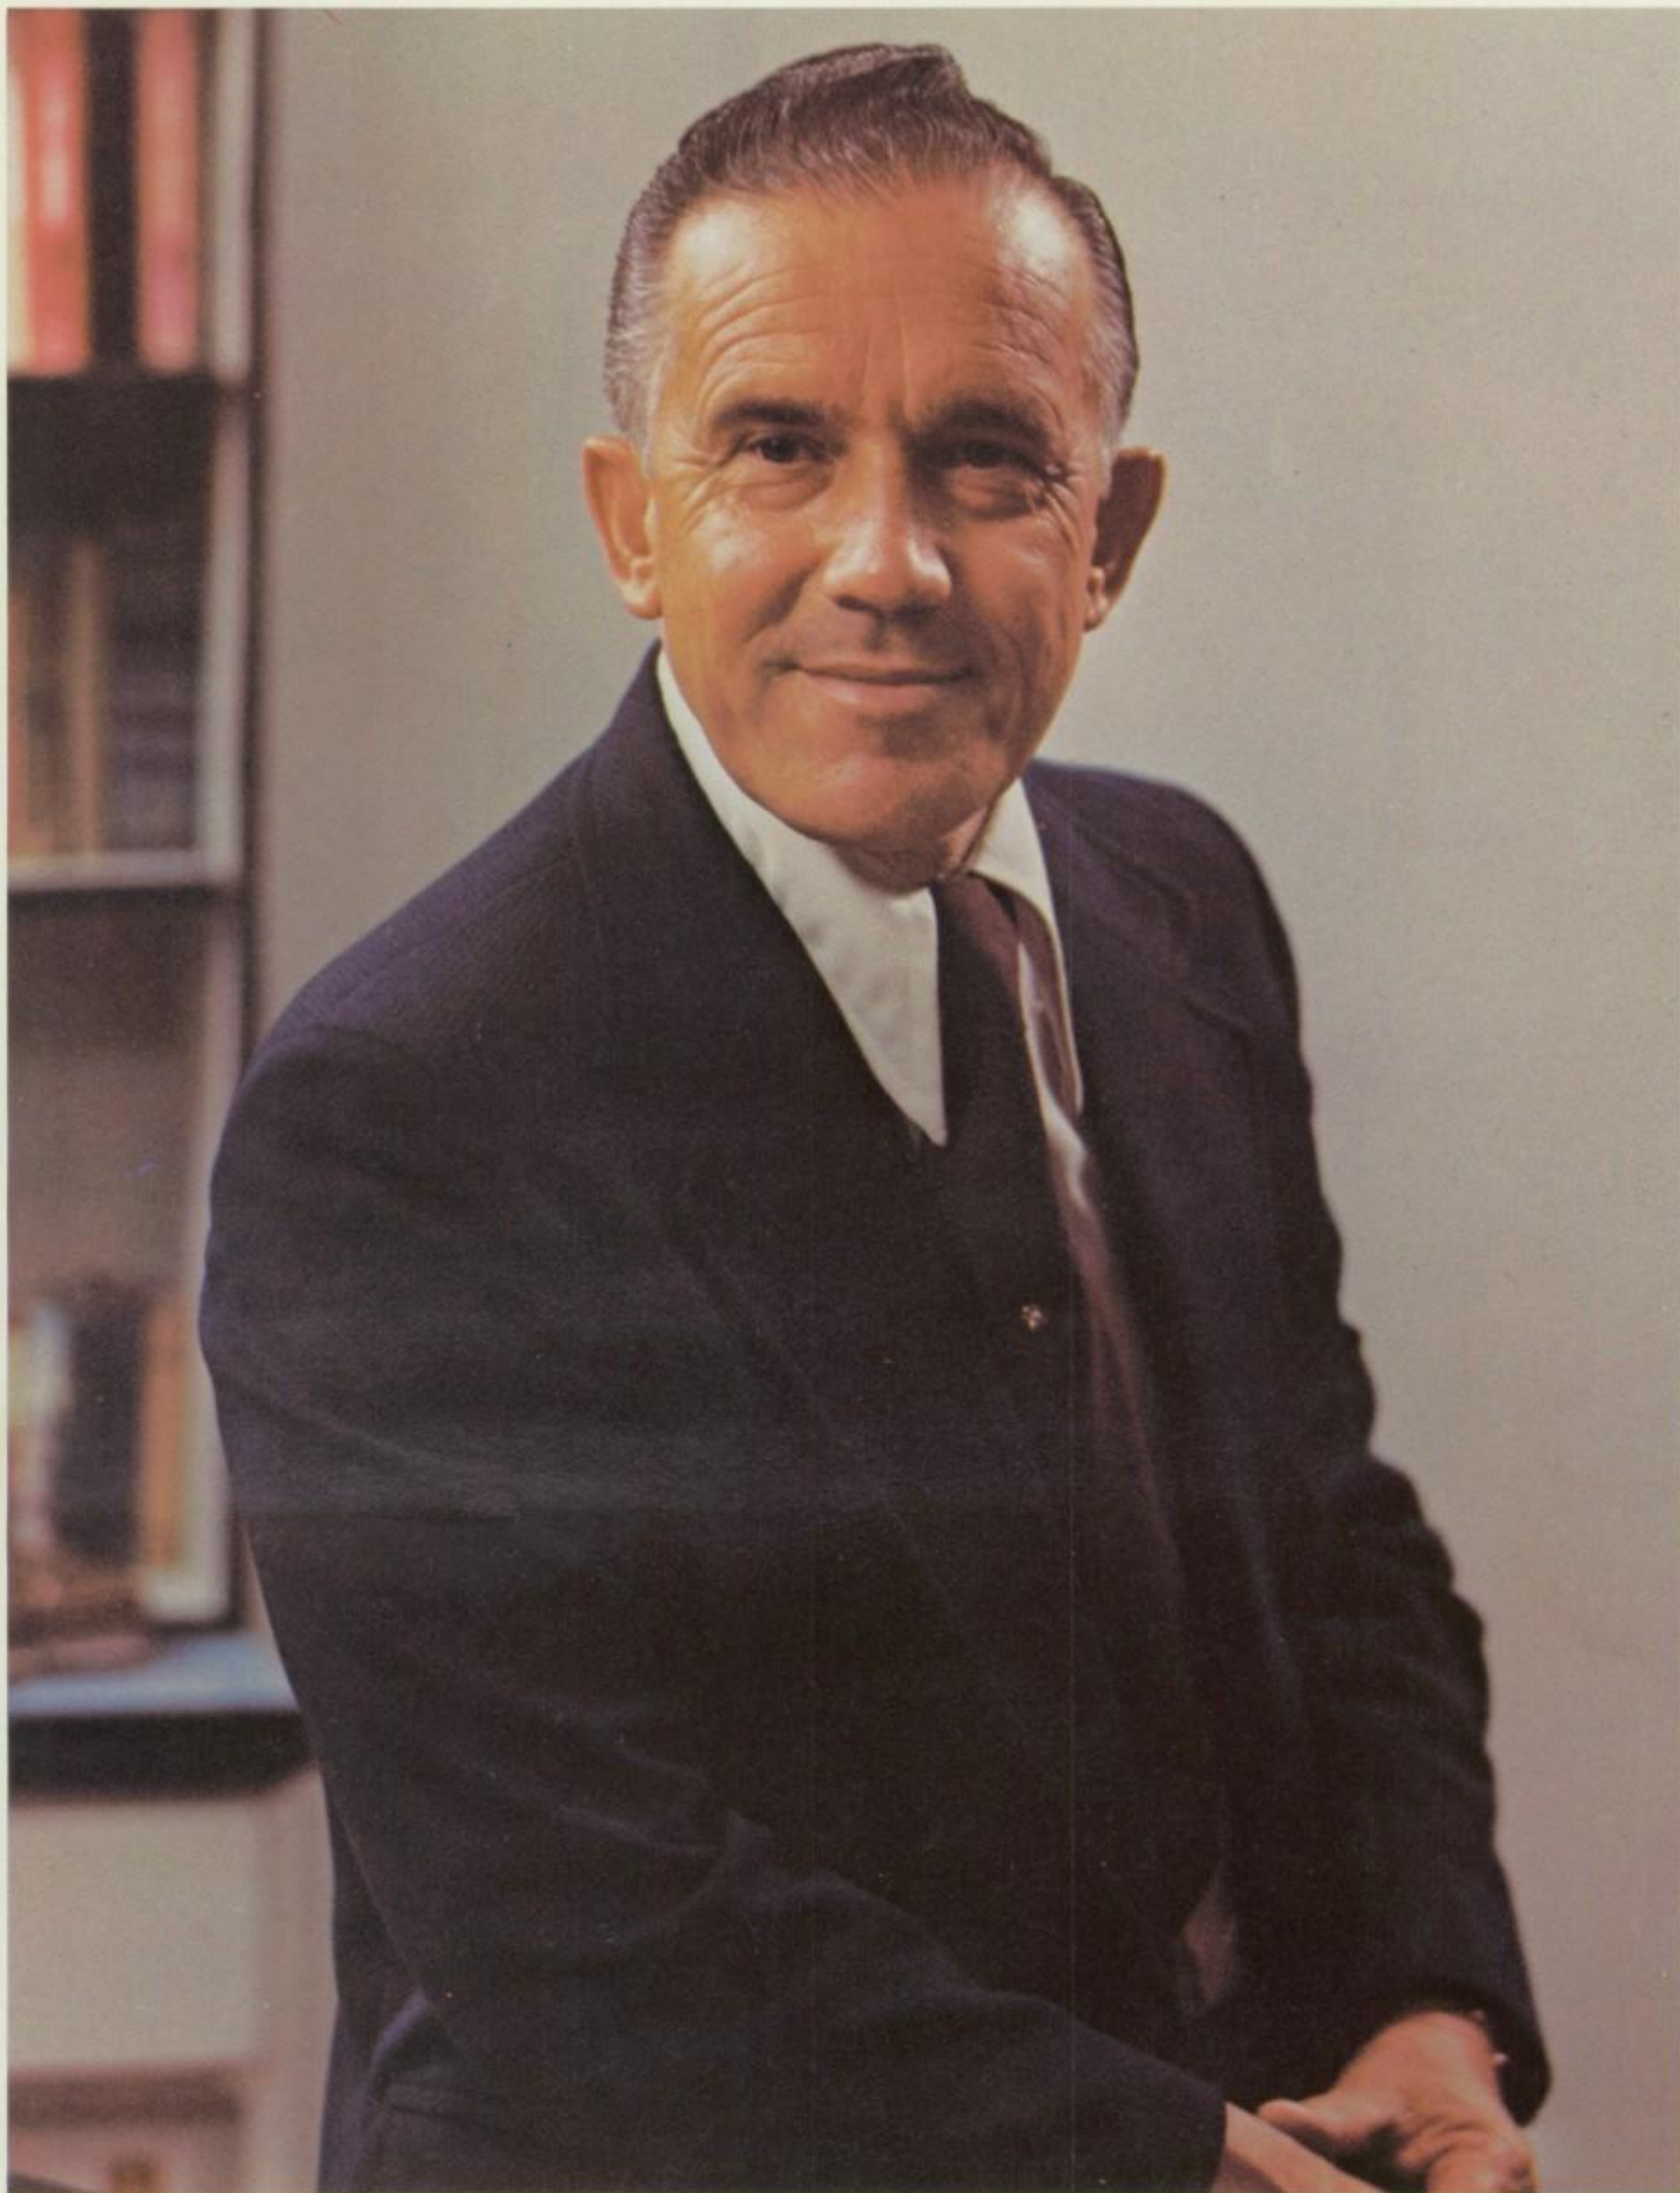

The building went up and out.

New Testament Baptist Church and Dade Christian as it is today.

The light keeps burning into the night, and as the others dream about the day before, we record the day in a book which has taken hold of our minds and which drives us beyond our normal capacities. Arguments, discussions, tapping of typewriter keys, and occasional laughter are absorbed into the darkness, and all that remains is "the book."

SENIOR CLASS HISTORY

We came to the hill alone together: alone because no one else could help us in the quest to find our identities, but together because we were involved in basically the same kind of search for self.

As solitary human beings, we began to realize that the significance of our existence became evident only when we considered our life in relation to others. The blank faces around us began to assume forms, the forms began to take on personalities, and before long the personalities became the pattern of a daily routine.

Like the single frames that pass in succession to create motion in a film, the days ran together into oneness. Day to day living became a parade of classes, chapel services, meals, club meetings, and athletics. The school week was a slow-motion race for the weekend, but the weekend led to Monday, and the cycle repeated itself with unfaltering consistency. But occasional highlights broke the monotony: pep rallies, athletic contests, bakesales, and games helped provide the impetus to work until more leisure time rolled around.

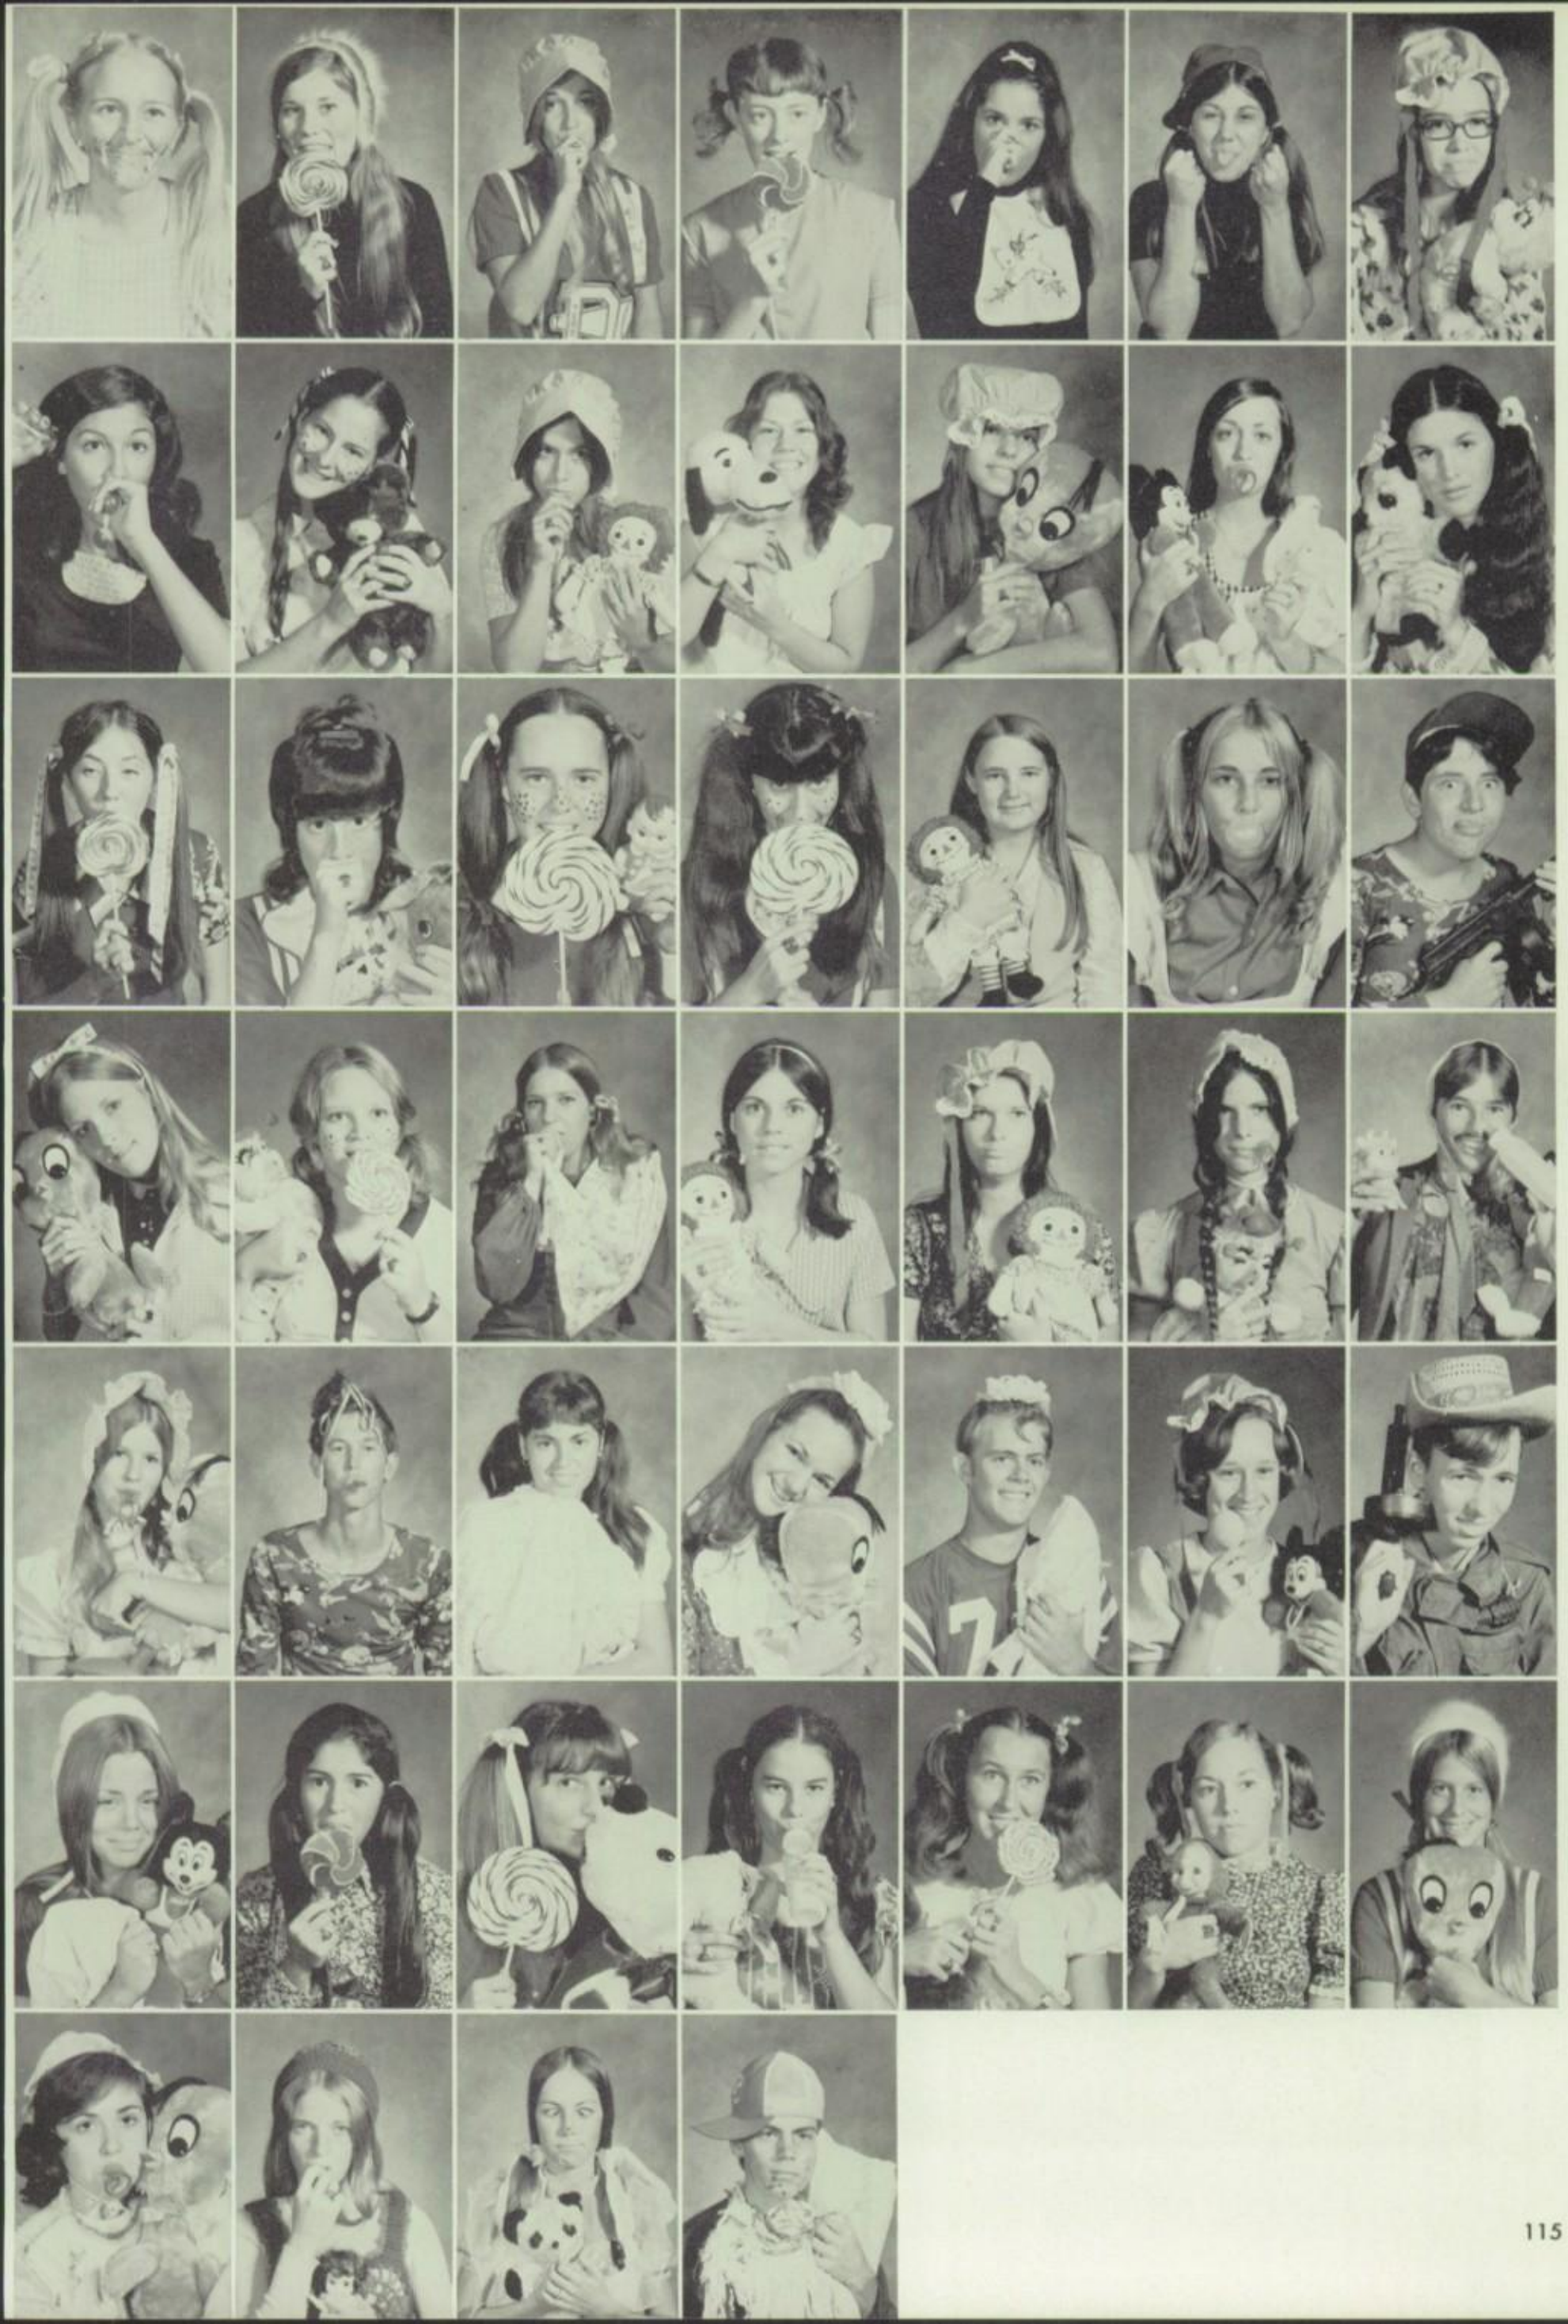

This year we found out that life had its ups and downs and a few moves that could only be described as sideways. We experienced moments of success, failure, joy, sorrow, friendship, hostility, and indifference. There's much that can be said of this year filled with changes, excitement, new experiences. Yet, as we turn to walk away from the hill, we know that if you can say nothing else of your fleeting presence at Dade Christian, you can at least mention that you made a mark — a mark on the hill, a mark in time, a mark in the lives of other people; in other words, if you can think of nothing else to say, you may take satisfaction in saying that . . .

YOU WERE THERE . . .

A defeat might have some effect on other teams, but not our Crusaders. They have shown that success is not measured in numbers, but rather in each players satisfaction that he played the best he could. Our goal was to be the best in our conference and number one in our state; however, the Crusaders proved to be number one for Jesus Christ. And isn't that more important?

ATHLETIC BANQUET 1972

POTPOURRI

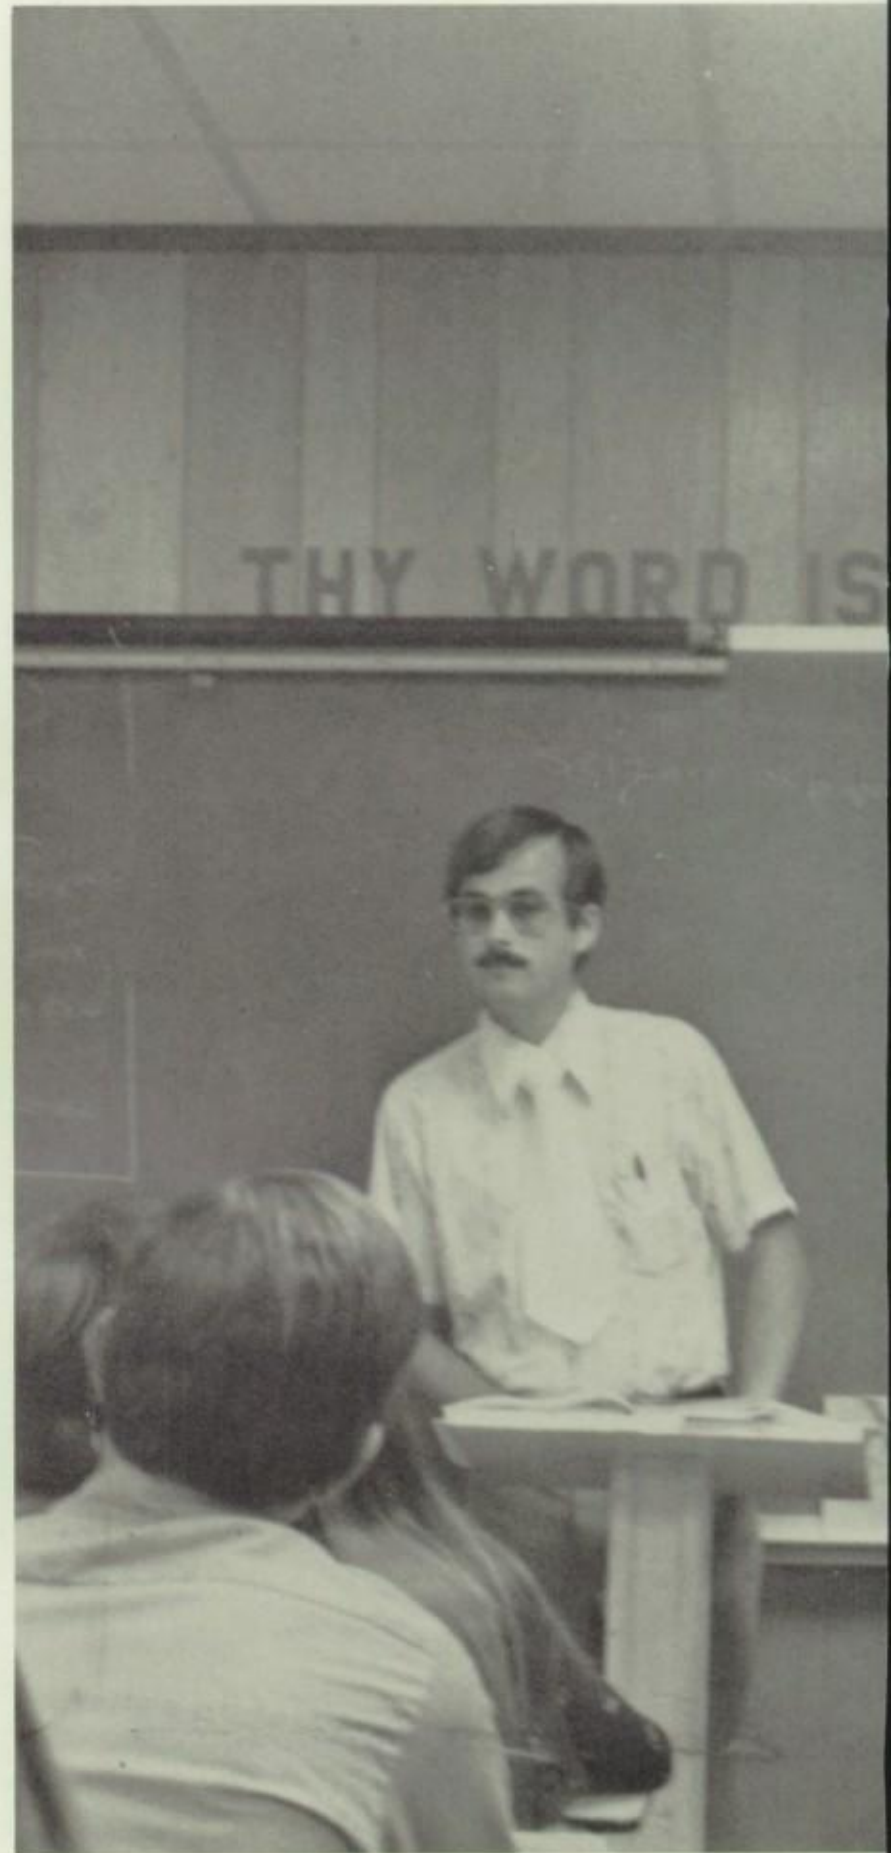

The following pages are an example of typical Dade Christian School life. It is a mixture of the impressions of the academic year of 1972-1973.

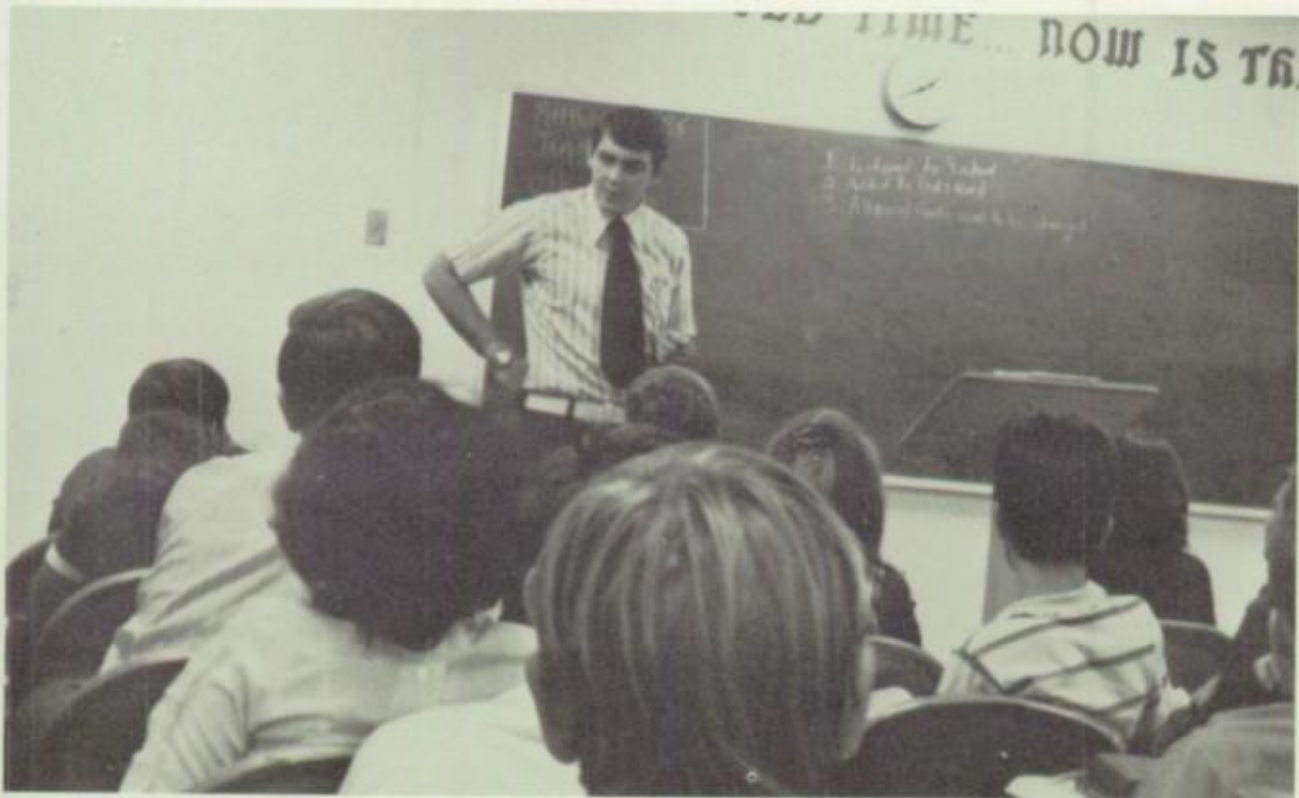

Dade Christian Mess Hall

"One Ringy-Dingy . . ."

"What year was the war of 1812 fought? I don't know off hand, I'll have to look it up."

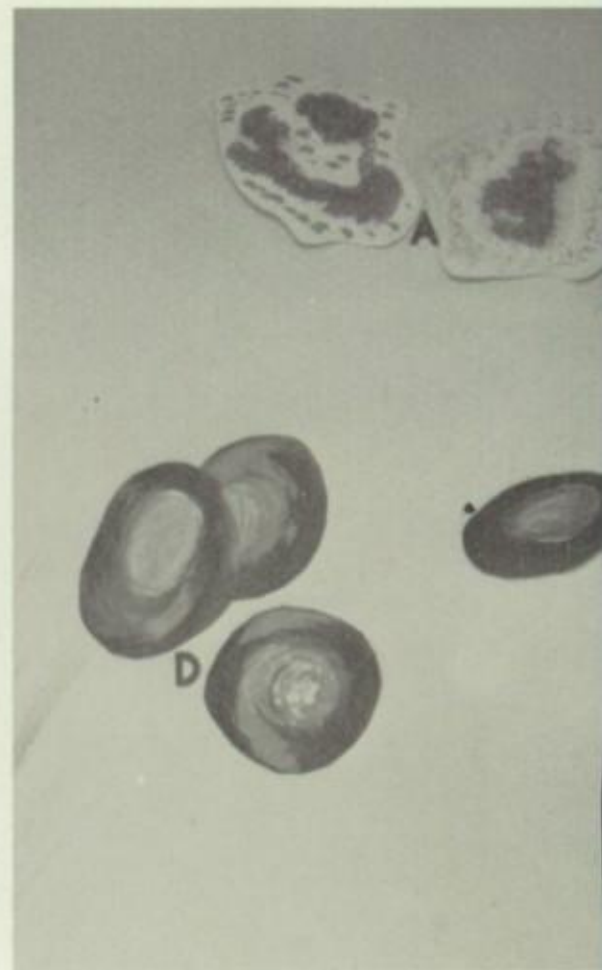

"Have you seen my Bible?"

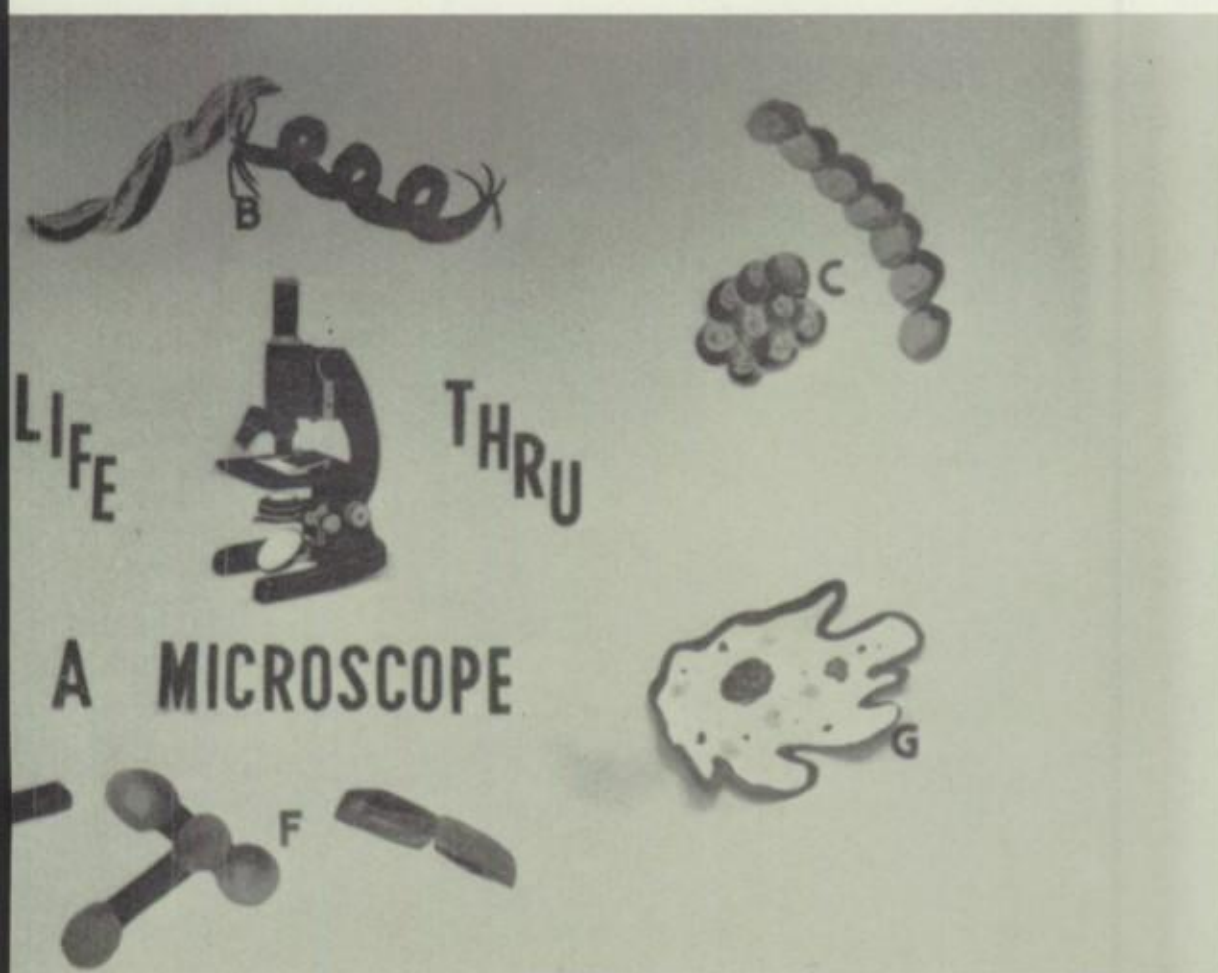

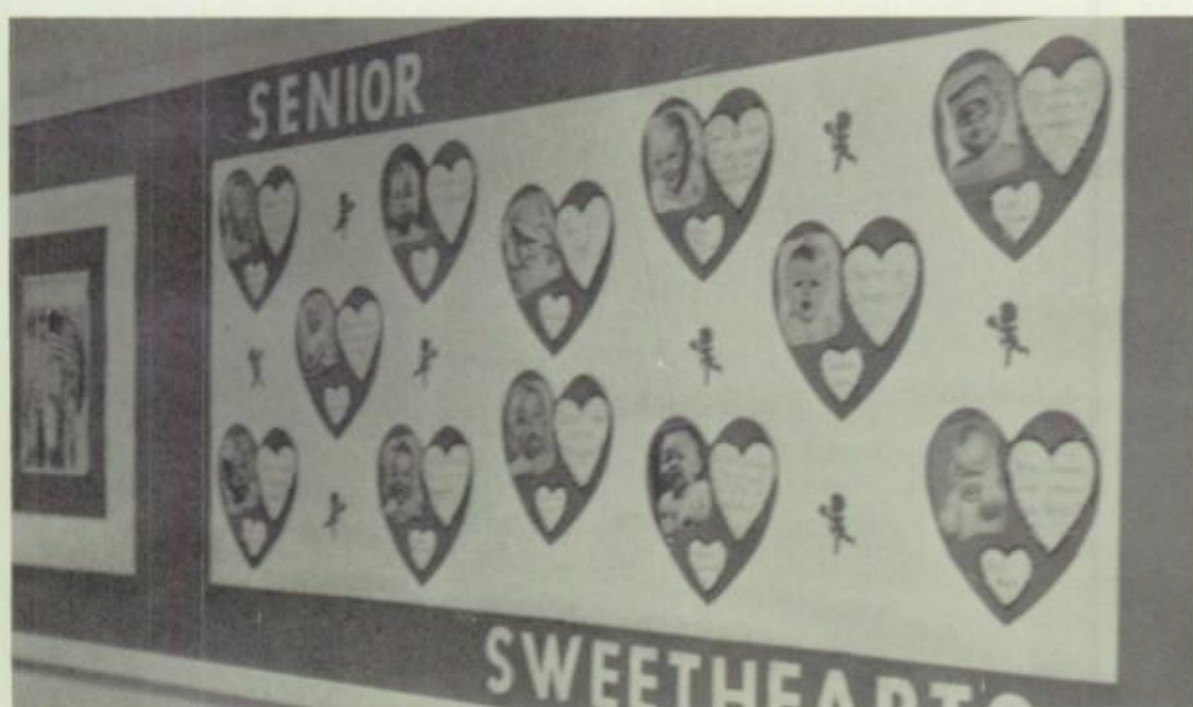

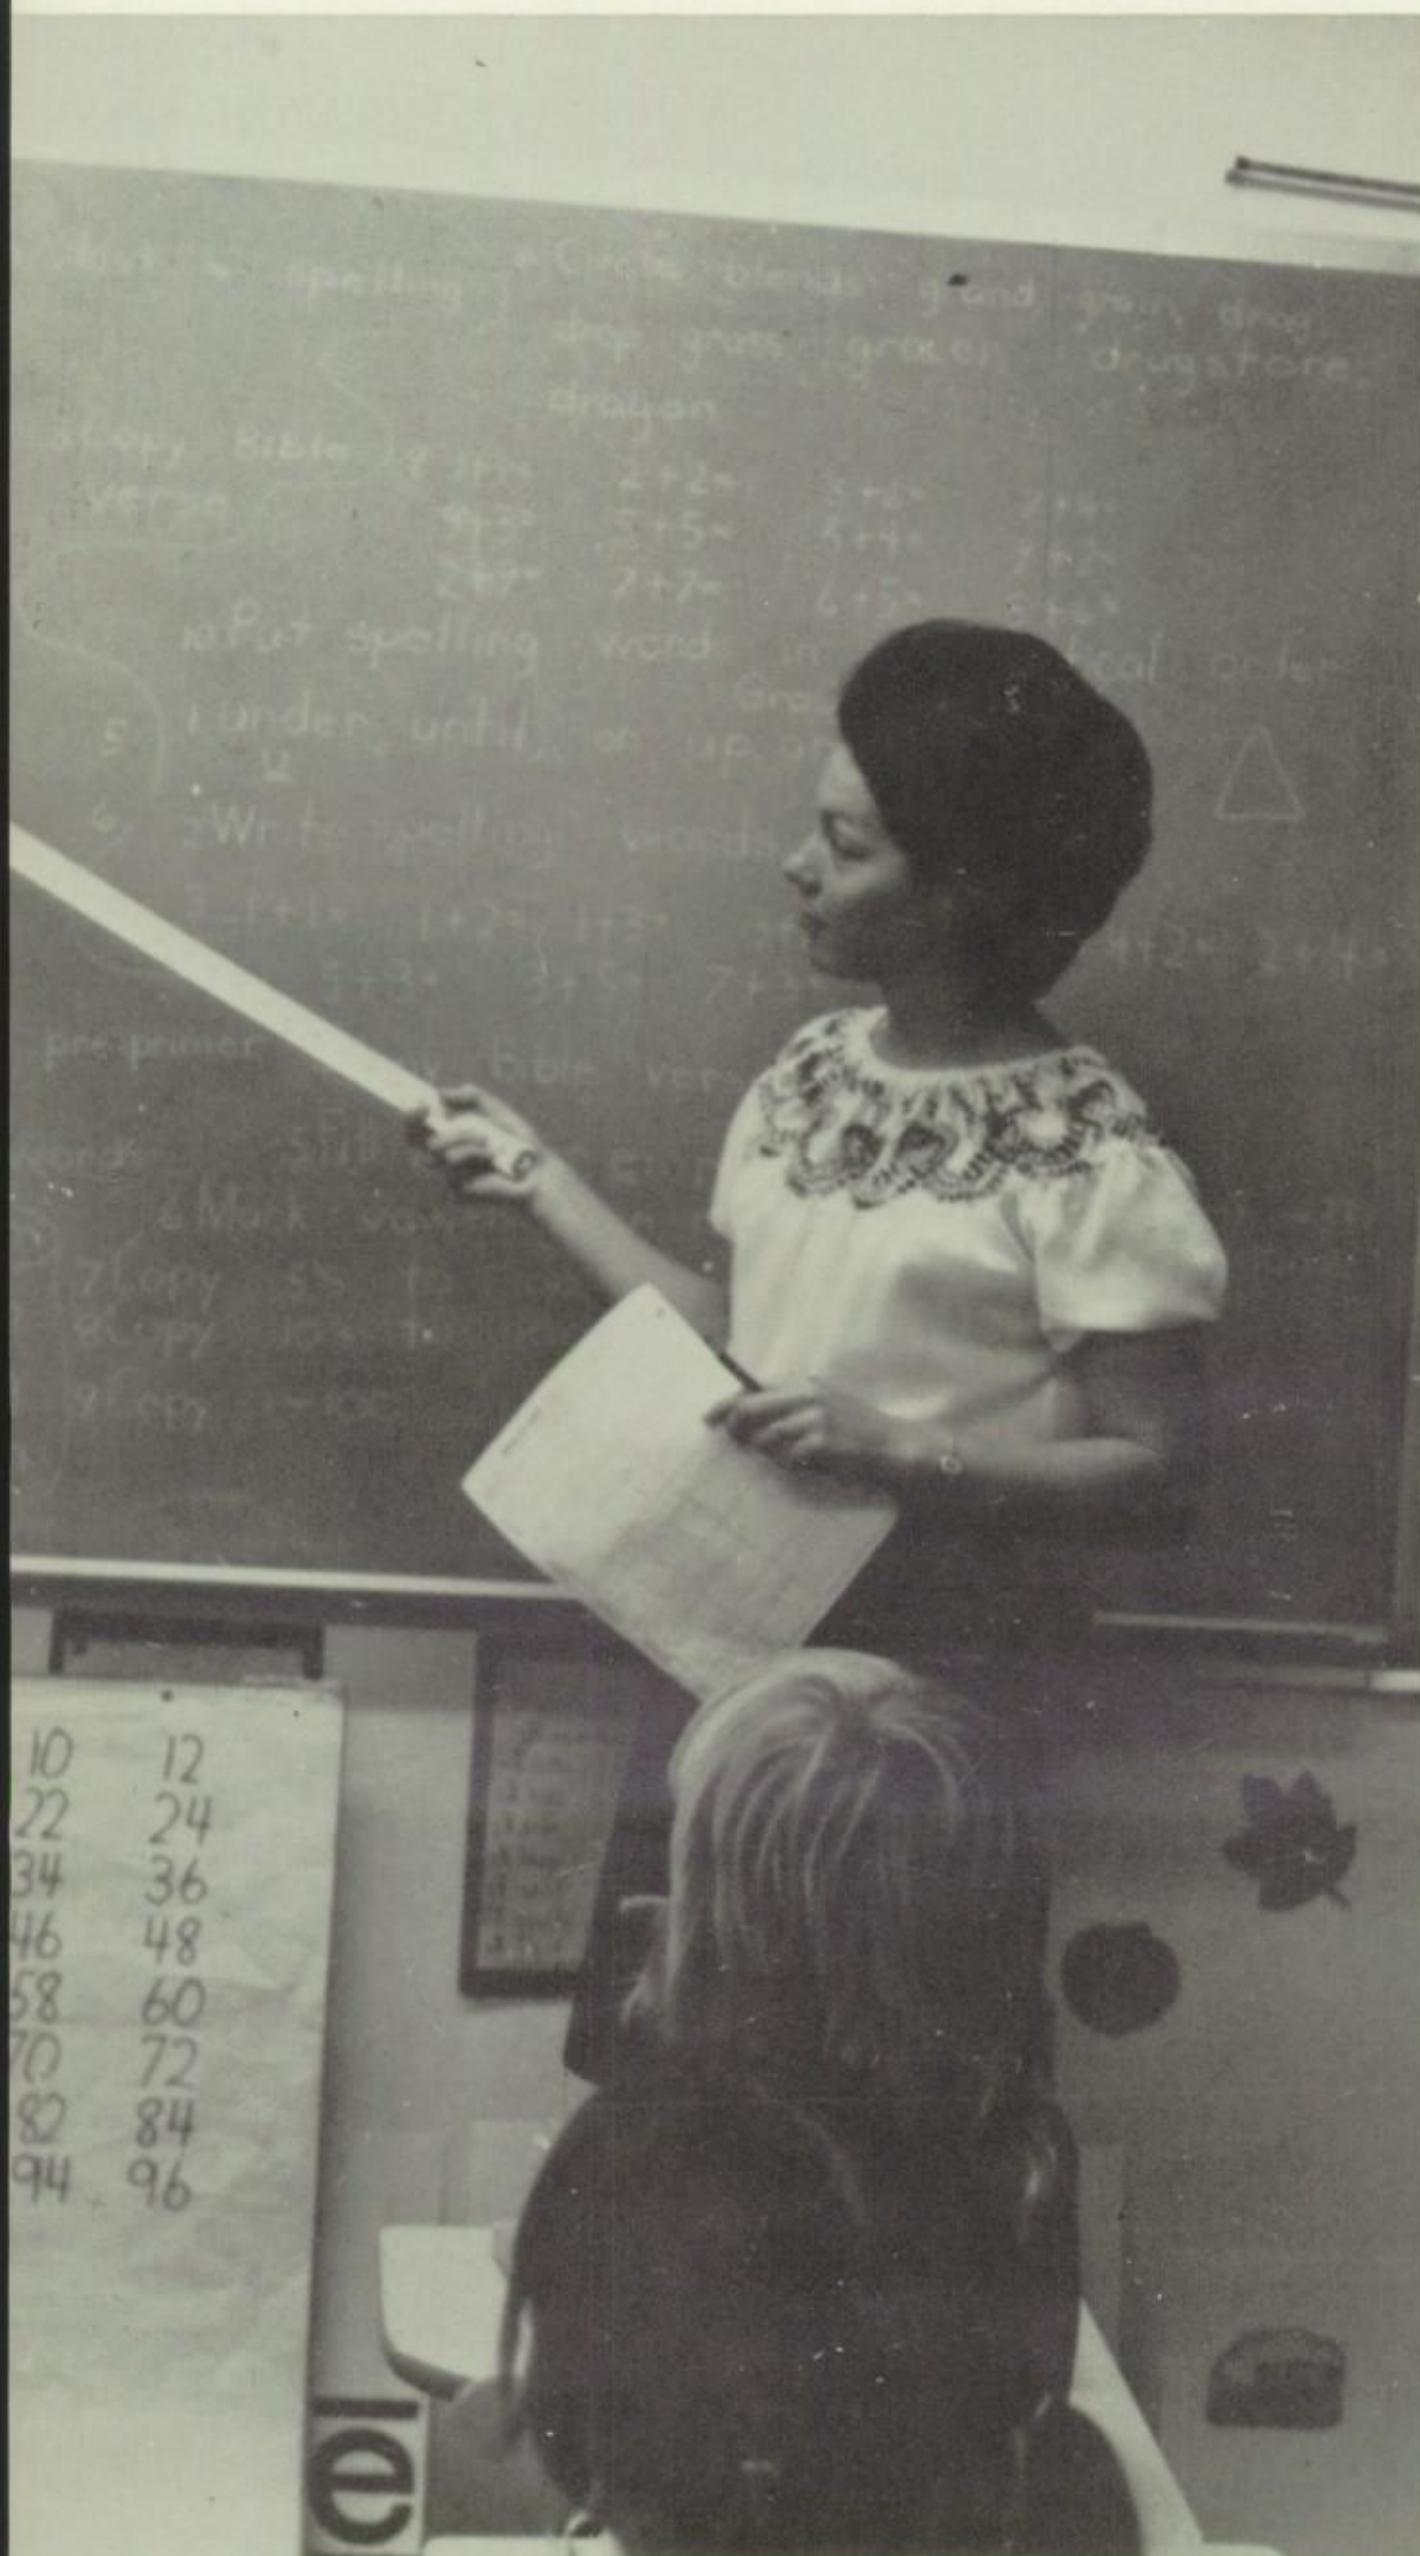

"Can I play now, Daddy?"

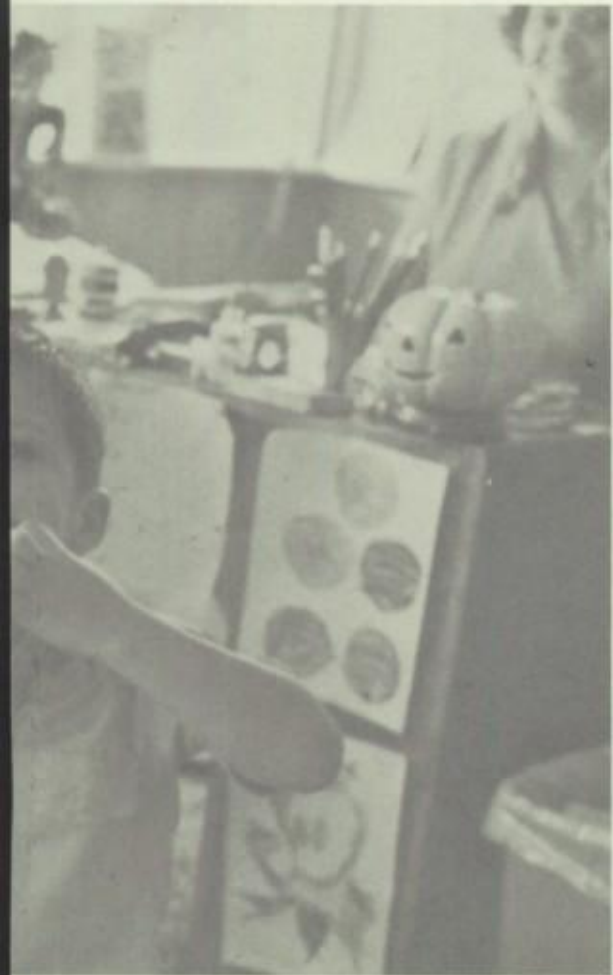

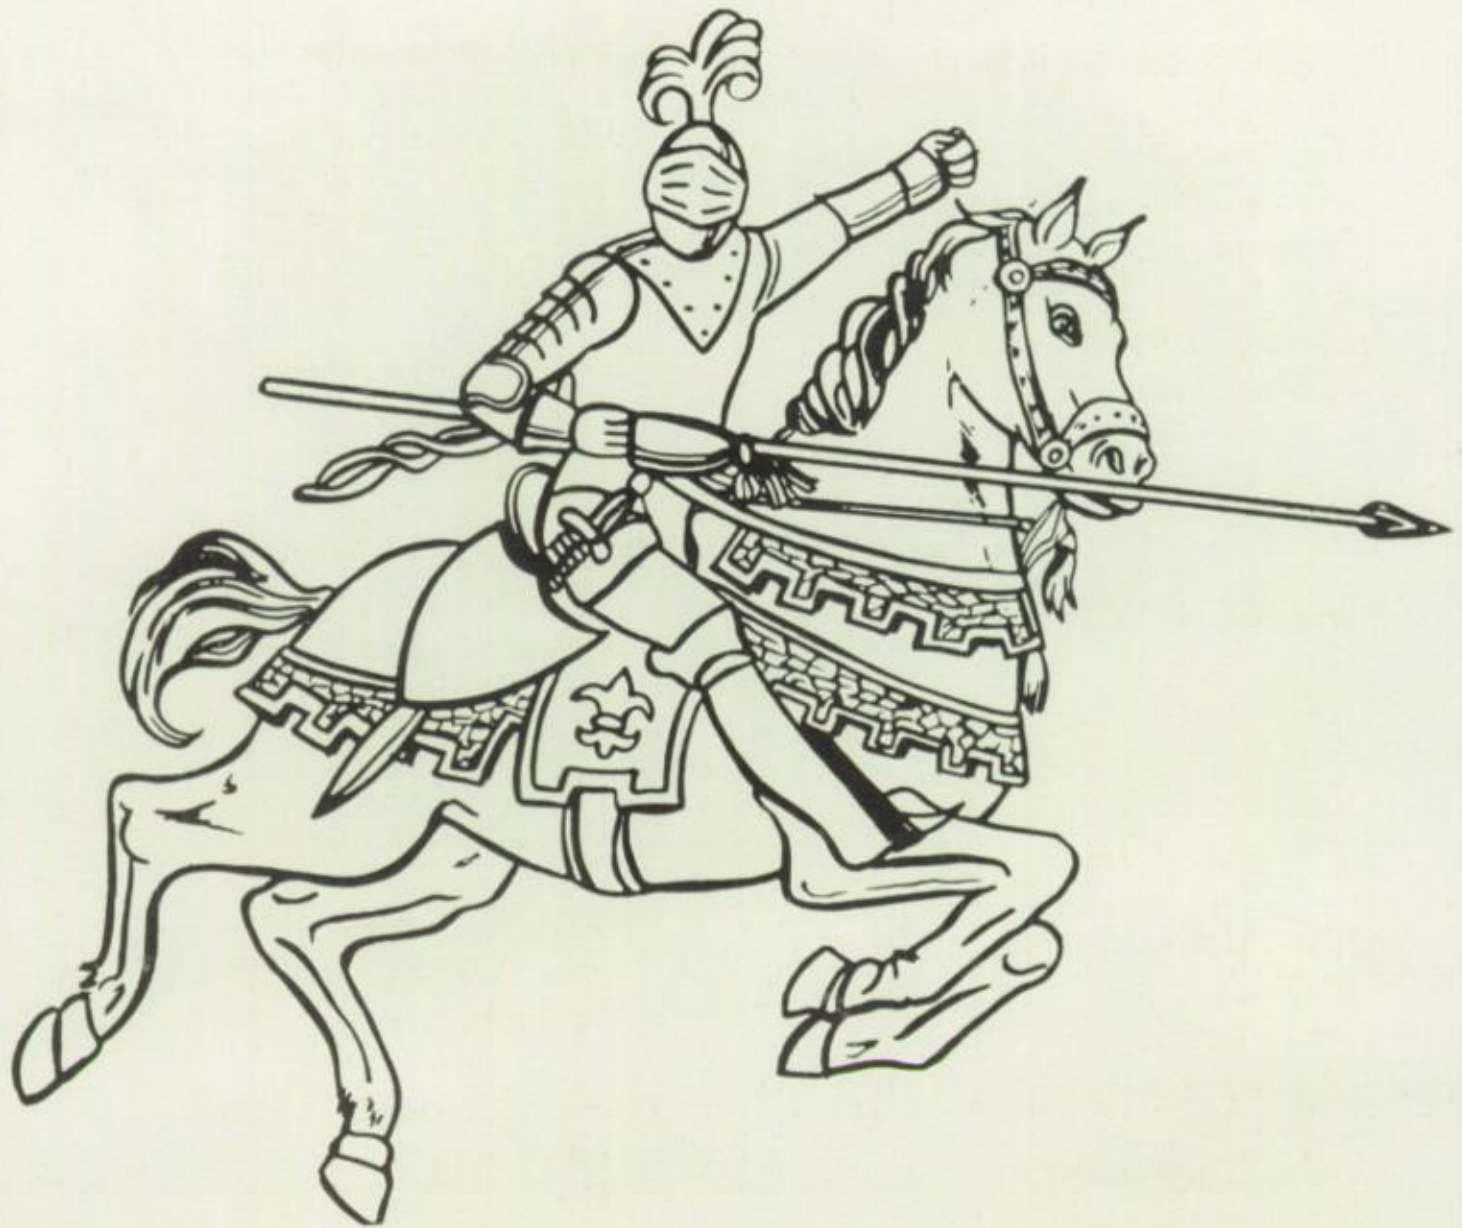

"You mean all we get is bread and water?"
